OOPS!

Brit's nip does it again

IN HER long and varied career, Brittney Spears has ranged from hot, young spunk to bald, angry nutter and back again.

The size of her arse has, like her mental state, changed with the wind, but there's one constant we can always rely on with Brit – she likes to keep the puppies out there.

So here she is in 2018, at the age of 36, getting back to basics.

'Cos when you dance like a busted duck, have a voice better suited to calling bingo numbers and can't fit into that schoolgirl outfit anymore, you better have something going for ya.

And with Brit it's those occasional nip-slips, like this one in a concert near Washington DC a couple of weeks ago, that keep the punters coming back.

Yeah, love – do it again. And again. And again...

RA GE!

Siri can't wait to share her big naturals with you

THERE was never really any doubt about how stacked Seppo porn star Siri was gunna make a living.

The 29-year-old Texan with the H-cup FUCK SACKS had her career mapped out pretty much right from the get-go.

"I knew I wanted to do porn when I was 19," she says.

"I love performing and I love sex, and I always wanted to be able to live a free and sexually open lifestyle. So it made perfect sense."

Sure did! So did you jump into it straight away?

"No. That was in my first semester of college, so I stayed until I finished school. But the desire to move to LA and be in adult films never left me."

Well, when you get the calling... When you got started , was there anything about porn that you weren't expecting?

"It was slightly weird to watch myself afterwards. I totally lose

myself in the moment when I'm fucking, so when I watch myself back and I see some noise or face I made, I think, 'Do I really do THAT? What the hell?'"

What's the nicest thing about your profession?

"I get to show my boobs off all the time. Other people seem to like that, too."

Mad if they didn't. What segment of porn have you been getting into a lot lately?

"Gangbangs. I love them. I love cock, the more the merrier."

That just goes to show what a generous and giving person you are, Siri!

Melons! Ripe, juicy melons! We dunno whether Czech model Katya is buying or selling, but suddenly some fresh fruit seems like a sound dietary choice.

IBIZA!

Norky naked Pommette Sheridan hasn't quite the hang of the drinking caper. In your gob, love. Otherwise you just keep filling the pool up with pricey vodka.

LOS ANGELES!

Seppo big-tit model Satinee Copona is trying to prove her theory that it's pretty much impossible to drown with G-cup tits, even when tangled up in a fish net.

MALIBU!

She's a singer. She's a songwriter. She's an actress. But Russian spunk Nadeea Volianova still has trouble putting her bikini top on. Amen to that!

NEWS FLASH

THIS SHIT REALLY HAPPENED!

Backgrid

ONE FOR THE ROAD

EARLE Stevens Jr is the most conscientious drink driver ever. After rear-ending another car at a Maccas drive through, he was charged with DUI, but insisted it was all a mistake. 'Cos, yeah, he WAS drinking bourbon out of a bottle in a brown paper bag on the front passenger seat. But only at stop signs and red lights, NOT while he was actually MOVING. That didn't impress the cops in Vero Beach, Florida, who arrested him anyway. They couldn't take his license, though, 'cos he didn't have one. He blew around .150 on the booze-o-meter.

He still took time out for lunch beers

THE LONG SIESTA

AND you thought you knew some bludgers. Spanish public servant Carles Recio skived off for 10 years, turning up at his gig as an archives director for the Valencia provincial government every morning at 7.30am, then going home and coming back at 3.30pm to knock off. And all on a salary of $80,000. In his down time he ran a male brothel from home and drew filthy comics. Sprung 18 months ago, Carles insisted he'd done nothing wrong, even though he hadn't logged on to the office computer system since 2012. They gave him the arse anyway.

TIT & RUN!

AS MUSIC festivals go, Denmark's Roskilde Festival is a boomer, this year pulling 100,000, people to watch 160 acts, including Bruno Mars, Eminem and Nick Cave, on seven stages. But fuck all that – the real highlight EVERY year is the nudie run for free tickets to the following year's festival. About thirty SHAMELESS nude punters lined up for the run, watched by the usual bunch of salivating perverts who get off on SWEATY BUM-CHEEKS, skinned knees and THIGH RASH. And there was plenty of all that.

DASH FOR GASH!

NAILED IT!

AFTER 66 years of not cutting the nails on his left hand, Indian bloke Shridhar Chillal has FOLDED. The world record holder can now pick his nose in safety after having his crusty talons removed, to be displayed at the Ripley's Believe It Or Not Museum in Times Square, New York. Shrid's left thumb nail was longest, at nearly two metres. He can hardly use his left mitt now because it's so twisted from carrying them.

GO AND GET SHARKED!

WANNA-be model Katarina Zarutskie now knows that, as photo props go, sharks are a no-no. The 19-year-old seppo spunk posed with a mob of grey nurse sharks in the Bahamas so her boyfriend could take a piccy and post it on Instagram, but one of the sharks got the shits and BIT HER. "I still have pieces of the shark teeth in my arm and I will forever have a scar," said the would-be mega-star. Awwww!

POTATO POWER!

FORGET your new-fangled weapons. A bloke arrested in Busselton, WA, was rocking this old-school beauty. Termed by the arresting officers as a "spudgun on steroids", it looks like it could put a piece of potato through a steel plate, and still kill a cat. It was found in a roadside car search, along with a meth pipe. That figures.

WE DREW A COCK ON IT #323

NEW BESTIE!

He loves a good game of hide 'n' seek

GREAT AUSTRALIAN BITE

He's **4.71m** of jaw-snappin' fun!

He's having the time of his life!

THIS giant leather handbag is one of the biggest salties ever caught in the Northern territory – but unfortunately he's not gunna be available for adoption as a RESCUE CROC at your local animal shelter.

Even though any true-blue Australian would love to take the big fella home for the kids to play with, he's probably going to see out his days at a croc sanctuary somewhere.

The rangers who pulled him out of a trap in the Katherine River reckon the lovable 600kg lug is about 60 years old, so he might not be suitable as a household pet, being old and set in his ways.

Y'know, like EATING PEOPLE and stuff.

He'd been hanging out near a boat ramp on the Katherine River for 10 years, but was finally coaxed into a trap, and, after a friendly scratch on his belly, sent on his way to a croc retirement home.

Oh well. We would've loved have him as a house croc.

We were gunna build him a pond and train him to FETCH POLITICIANS. Picture

PUSSY WHIPPED!

Buffaloes get rough, lion fucks off

LION – king of the beasts? Not by the look of this scared pussycat trying to hide from a pack of angry cows – well, buffaloes, but same difference – in Kenya's Masai Mara wildlife reserve.

See, the lion and his missus had just knocked off a stray buff for lunch, and the remaining cattle were a bit miffed about the sudden demise of their CLOSE PERSONAL FRIEND.

So they formed a posse, set off after the cringing cat and cornered him on the riverbank, Mrs Lion having sensibly already made tracks.

But just as they were about to move in and STOMP THE FUCKER, the lion suddenly discovered a talent for sprinting and took off like Ussain Bolt in the 100 metres at the Rio Olympics.

So the lion lived to lick his balls another day, while the buffaloes went back to whatever they were doing before – BUFFALO-ING, probably. ■ Picture

"I apologise in advance," she said as they walked into his flat joint. "I'm always scream when I cum, so your neighbours are probably going to have the shits with you in the morning."

"There's nothing to worry about, love," Henry reassured her. "I've never made a woman orgasm in the past, and I don't intend to start now."

THE PROFESSIONAL

COMEDIAN & WEED EXPERT **JOE ROGAN**

I AM NOT HOMOPHOBIC; I AM COCK-CONSCIOUS.

When women go to see men strip, we never accuse you of hating men.

IF YOU HAVEN'T PEED THE BED, YOU HAVEN'T TAKEN ENOUGH CHANCES.

No girl wants a secretly gay boyfriend, but every man wants a secretly gay girlfriend.

I HOPE HILLARY WINS.

THAT WAY WE CAN REALIZE CHICKS CAN'T DO THAT FUCKING JOB EITHER.

Osama Bin Laden is right out of a fucking comic book. Think about it: He's a billionaire genius...who hates us! He lives in a cave. He used to work for the good guys and got all their secrets, and then he switched over to the dark side. And every time they almost capture him, he mysteriously gets away, and leaves behind a threatening tape.

People say you can abuse marijuana. You can abuse cheeseburgers, too. Does that mean we should close Burger Kings?

THE JOKE'S ON YOU

THIS WEEK: **BEING UGLY**

Your mum is so ugly she had to get you drunk before she could breastfeed you.

I WOULD MESS UP YOUR FACE, BUT YOUR PARENTS DID IT FOR ME.

A woman gets on a bus with her baby. The bus driver says: "That's the ugliest baby I've ever seen!" The woman walks to the rear of the bus and sits down, fuming. She says to a man next to her: "The driver just insulted me!" The man says: "You go up there and tell him off, love. Go on, I'll hold your monkey for you."

YOU'RE SO UGLY THAT WHEN YOU LOOK OUT THE WINDOW, YOU GET FINED FOR MOONING.

My wife is so ugly she spent five hours in the beauty salon getting a quote.

YOU'RE SO UGLY THAT WHEN YOU WERE BORN THEY PUT TINTED WINDOWS ON YOUR INCUBATOR.

A woman told her doctor, "I've got a bad back." The doctor said, "It's just old age." Then the woman said, "I want a second opinion." The doctor replied, "OK, you're ugly as well."

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done-a-big-poo stuff, just my usual classy shit. It's at: https://twitter.com/ThePictureMungo

IT'S A SIGN!

Went into my local shop the other day to get a can of Coke and picked a can with a dint in it that was shaped as a perfect butt wearing a G-string!

C.J., RIVER HEADS, QLD

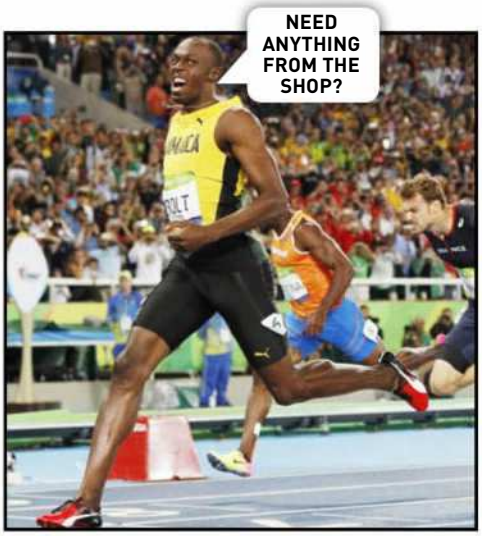
MUNGO SAYS: Seems to me you could put that together with a piece of toast bearing the likeness of our lord and saviour Jesus H. Christ and have yourself a nourishing breakfast, C.J. And be thankful for his bounty, amen. What you have there is a potential family heirloom that will be forever known as "grandpa's butt-crack-in-a-G-string Coke can." Never let it out of your sight.

'SCUSE ME, GOTTA BOLT

HEY Mungo, what do you reckon about glamour Olympic sprinter Usain Bolt coming to Australia to play A-league soccer? Does he stand a chance with the shin-kickers in the local comp?

L.K., NEWCASTLE, NSW

MUNGO SAYS: I'm no expert, but I'd reckon that seeing as Usain's best trick is bolting 100 metres in a straight line very quickly, his best spot might be as linesman. They'd have to teach him how to carry the flag, though. But glad to see that big fella coming out here. I bet he can get the beers in fast! Run, Usain, run!



MUNGO'S SHOUT

Oh, the fucken grief, the moaning, the end-of-the world, can't-get-out-of-bed cunting despair – I made an arse of myself in my favourite pub, and they WON'T FUCKEN BAR ME. There's a cruel twist to that. Because if they did bar me – and after what I did, I'd cop that as fair punishment – I'd just fuck off, drink elsewhere for a few weeks, then mosey on back when the coast was clear and all was forgiven. There could even be a welcome-back beer in it, you never know. But with the non-barring, you don't know where you stand. Was there an oversight?

Somebody didn't do the paperwork? Shit, I'll sign a waiver for the damages as long as I'm OK for re-entry at a specified date and my stool will still be there. There may be that little matter of the history between me and the publican's wife, but we're all adults here, and it's better to clear the air. OK, the last time I bought a shout Julie Gillard was still Prime Minister and Donald Trump was still a reality TV star. I really didn't mean to set fire to the curtains and the parrot's feathers will grow back. Just give me a fair sentence and I'll cop it. Really, I'm the victim here.

TAKE BIG BREATHS

SOMETHING that Lana Kendrick said about her tits last week reminded me of the dangers of big tits. She pointed out that she could use her tits in the bedroom to smother a bloke, and I remembered I'd read that that had actually happened a few times where a big-titted babe killed her partner. But being a lover of having big boobs all over my face, I'd have to say I wouldn't mind going that way.

L.M., BALLARAT, VIC

MUNGO SAYS: Well, alright. It might make it hard to hear the football, but not to worry. Most blokes would agree that having a huge pair of blamps stuffed in your face is pretty fucken good, but maybe not to the point of passing out and dying. But it should be offered as a form of euthanasia – bugger the injection, I'll take the big tits. One final motorboat and you're out.

FAKE SMOO NEWS?

MIUNGO, you blokes at THE PICTURE are always saying that pubes are coming back, but do you have any real evidence? Judging by your Homies every week, the bald look is still the most popular moot-do. If ya want someone to check it out, I'll do it.

M.K., EAGLE FARM, QLD

MUNGO SAYS: As if we'd bullshit ya about something as important as that. Nah, we really reckon that the tide has turned. Out there somewhere, lurking in thousands of pairs of sheila undies, or going beautly commando, there are who knows how many furry little smoos snoozing away. One day they'll wake up and we'll be surrounded by them.

MUNGO WANTS TO KNOW...

If they're gunna crackdown on people using mobiles while driving, why don't they fine all the mental telepathists? Bastards are driving round making calls and you can't even see it!

INSTABULL

Defying death ain't what it used to be. There was a time when big, boofy blokes – and let's not forget the big, boofy sheilas – climbed mountains, jumped off waterfalls and annoyed charging bulls for the sheer fuck-off-ness of it. If you got a busted spine or a crushed skull, so be it. Not so much now, though. These days it doesn't matter what you do, if you haven't snapped it on your phone and bunged it on Instafuck, it doesn't count. Like these nongs at the running of the bulls in Pamplona, Spain. They can't wait to post pix of themselves getting stomped 'cos it'll bring them one step closer to rooting Kim Kardashian. Apparently.

TALKING DIRTY
WITH TRINITY

100% uncensored sex advice from Australia's hottest stripper!

TROPICAL WONDER

I WENT on holiday to Thailand recently and rooted this chick. We both had fun and added each other on Facebook the morning after. That's when I noticed she was from Perth, like me. I'm now back home and she hasn't tried to contact me. I sent her one message but she didn't reply. Should I keep going or was this just a holiday fling and I should give up? Or maybe send her a dick pic? Is it always up to the guy to make first contact? Thanks.

KYLE, JOONDALUP, WA

TRINITY SAYS: ***Mate, firstly you sound like a girl, so cut it out. If she was into you she would've contacted you. If you've already made contact and she hasn't responded, just leave it. Definitely don't send a dick pic. Maybe you weren't that great and that's the reason you haven't heard from her.***

WHAT'S NEXXXT?

HEY Trin, I know you're a massive horndog and have your finger on the pulse of the sex industry, so I was wondering if you know what the next big thing in fucking will be. Recently we had eating arse – what's next?

N.P., NYRRABY, VIC

TRINITY SAYS: ***The latest trends eh, well, BDSM has come back in fashion hard. And pelvic floor power is now a thing too; a lot more married couples are experimenting and are open about it which I'm very happy about. I think a healthy sexual appetite in any married couple is essential.***

"I ENJOY A CHEEKY BUTT-PLUG"

PROZZIE PRESSIE

HI BABE, my hubby loves the mag and your column, so I'm hoping you can give me some advice. I want to do something special for our anniversary. He's always wanted a threesome, so I'm going to get us a prostitute for the night. Before I do that, are there any rules I should make? Or anything at all I should know? This will be a first time threesome for both of us.

R.K., ROSEBANK, NSW

TRINITY SAYS: ***Firstly, you do all the arranging, ensure that once her time up is, she leaves – unless you extended 'cos you're having fun - no over-nighters! Anything you don't let your husband do you should let him do to her while you join in – he'll love that. Also make sure he gets to watch plenty of girl-on-girl action. Final tip – don't make it a regular thing!***

WILLY CONFUSED

HELLO. I am very horney man. I like the sex very much. I only like lady, but when very horney I sometimes like the man. But then when not horny, I not like the man anymore. I am very confused. Am I The Gay?

STAVROS, BANKSTOWN, NSW

TRINITY SAYS: ***No, you're not gay, you're bi-sexual. You like both, which is fun! Embrace it. The more options the better.***

TOO ANAL FOR ANAL?

HI TRIN. I know a few years back you said you'd never try anal. Has that changed? Also, are you single at the moment. I'm currently single and looking for a mad hot chick.

RYAN, REDFERN, NSW

TRINITY SAYS: ***Yes, I've tried anal. I've done it on special occasions for my lucky bloke. I also enjoy a cheeky butt-plug from time-to-time under my dress when I go out. Unfortunately I'm not single, so you'll have to keep searching.***

TRINITY WANTS TO HEAR FROM YOU!

GET UP YA SOOK!

...AND DON'T BE A WUSS

WHO:
Ancient Roman bloke

WHAT:
Boulder to the noggin

WHERE:
Pompeii, Italy

OUCH FACTOR
XCVII%

WE'VE heard of people taking long sickies, but this is ridiculous – this bloke's been skiving off for nearly 2000 years!

Recently discovered in the ruins of Pompeii, which was severely butt-fucked by the eruption of Mount Vesuvius in 79AD, the bloke's remains had a massive stone right where his noggin ought to be, leading archaeologists to believe he'd been crushed by the bastard during the ancient eruption.

But it was even weirder than that – his intact skull was found another metre down in the soil, so what really happened to him is anybody's guess.

What we do know though, is that he's been lying there doing SWEET F.A. all this time.

So GET UP, YA SOOK, and make yourself useful. ■ Picture

Little Angel

Little Caprice is big trouble in the bedroom!

YOU'RE currently cracking a healthy FAT over Czech FUCK FILM SENSATION Little Caprice. The stunning pint-sized 28-year-old has starred in over 50 JIZZ FLICKS and doesn't plan on stopping anytime soon.

Caprice's life of PROFESSIONAL PORKING began when she was studying to be a nutritionist.

"I was 18 and the pay was just too low," admitted Caprice. "So, I decided

MORE CAPRICE THIS WAY...

to embark on a new career in porn and erotica. I'm very thankful for my career choice."

Does the thought of blokes WHITE WATER WRISTING over your pics turn you off?

"No, I'm very comfortable doing this in front of the camera. It's exciting to show people the different sides of me."

Tell us what your first rooting scene was like?

"I did not know what to expect. I arrived at the production and two men were sitting there. I sat down on the couch with them and we started. I was very nervous, but they supported me very much."

Does your smoo ever get sore from so much sex?

"I exercise a lot, eat very well and take time for myself. So if you pay attention to your body, you can be fine. But after a hard work week I just do not touch my pussy for a while."

"I'M VERY COMFORTABLE DOING THIS"

CAPRICE
#1462 PIN-UP
Little Angel

Is anything off limits in the sack?

"Yes, I won't do big orgies or bukkake. But there are also things I only want to try behind closed doors away from the cameras."

What turns you into a big, gushy sook in your private life?

"Sex with my husband is always good. I like romantic sex, kisses and pussy licking."

Czech girls are hotter than Satan's gonads. Is there something in the water over there?

"Many come from poorer backgrounds. You can make a lot of money quickly in this industry. Besides, eastern European women are also very pretty."

Bloody oath they are! Have any of your friends or family recognised you in a movie?

"Yes, my mum. At the beginning I did not know that my porn is also available in the Czech Republic. Then some friends sent her the videos and she found out that I'm fucking in front of the camera. But now now she is OK with it."

With a body like yours, we suppose she should be.

READER'S ROOTS FROM AROUND OZ

HIS CUP RUNNETH OVER

YOU have to do it at least once in your life, so one year a bunch of mates and I decided we'd hit the Melbourne Cup, just get on it and see what happened.

Having never been before, I thought it'd just be like a normal day at the gee-gees but bigger, but I wasn't prepared for the acres of pissed women in funny hats screaming for cock.

We didn't get anywhere near the track. I got distracted by a group of chicks in high heels and hats sitting on an Esky full of champagne when they whistled and "woo-hooed" at me and asked me over for a drink.

We put a good dent in the champagne and I was all over the hottest, raunchiest one of the bunch Dianne, who was dropping all sorts of hints she was up for a boning.

It just got crazier and crazier all around us as everyone in this big paddock was going off on the piss and whatever else, and just as everyone was going nuts over the last race, Dianne hitched up her dress and flung a leg over me.

The saucy stunna was going commando, so she just poked my hard cock up her hungry snatch and settled down on it, using her hips to grind away at me.

She was really getting into it, too. She didn't give a fuck who saw us, she was laughing and whooping it up and each time she "whooped" her pussy clamped a little tighter around my throbbing shlong. It was such a good feeling.

As the crowd noise built up, so did her "whoop" rate and I could feel her getting even wetter as her juices ran down around my balls.

I don't know how long it takes to run a Melbourne Cup, but that was about how long I lasted.

Never saw a race but I had a fucken good time.

J.K., WHYALLA, SA

IT'S SHOW TIME!

I HAD this horny little girlfriend Ellie and when we were backpacking around Europe she was always demanding I fuck her in some pretty public places just for the thrill.

So I planned a special treat for her. I booked us into this swinger/nudist resort on the Med where there's a public beach that you can go and fuck out in the open and it's all cool.

I didn't tell her that bit, but, I just said it was a nude beach, so you can imagine what it was like when we were sitting on our towels and a couple lay down a few metres from us and started going at it.

It had the desired effect. Ellie immediately got this huge grin on her face and leaned over to me and grabbed my cock.

"I think I'm going to like this place," she said, wrapping her mouth around it and at the same time squirming around so she could watch the other couple.

I'm watching them too, and I can see them both flash big grins as Ellie goes balls deep on my cock.

I figured doggy style facing them would be the best way to see and be seen, so I prised Ellie's mouth off my cock and manoeuvred her around so her big round arse was facing me with her juicy twat peeking out underneath.

As I railed her hard, I enjoyed the fact that the other couple was getting off on watching us getting off on watching them.

When I rolled Ellie onto her back to fuck her mish they must've finished and left, because next time I looked up there was a different couple just getting started, a lone MILF having a quiet diddle on her towel watching them, and a tanned old bloke standing knee deep in the water having a wank watching all of us.

We made full use of the fucking beach every day after that.

UPSTAIRS, DOWNSTAIRS

MY PUBLIC fuck started out being a sly fuck, and turned public without me even knowing.

It was my own fault – I was doing the dirty on my soon-to-be-ex-boyfriend with a very cute mate of his who I wanted to make my next regular fuck, and I didn't plan it very well.

We were all at a party together and after a few serious drinks I mistakenly thought this would be the good time to make my move.

So while my STBEB was distracted, I wandered over and threw myself at Paul, the cutie I desired.

I practically lap-danced him. Luckily it was pretty dark and crowded 'cos I could've been arrested for indecent assault.

I was rubbing myself the full length up and down his body, then squatting and dry-humping his ankles, all those really classy moves.

After whispering in his ear that I was interested, in case he hadn't already guessed, I lead him out by the hand – discreetly, I thought – down some stairs.

I dragged him to what looked like a secluded spot where I pushed him against the pole and knelt down to suck his dick, which I could see was already hard.

I sucked it just long enough to make sure it was at full boner, then slung a leg over Paul's hip and steered it into my waiting wet pussy.

I had my head buried in his shoulder as he moved both his hands around to my arse and lifted me fully off the ground, leaving me skewered in mid-air on his big cock.

I was prone to being a bit vocal, and can remember the sound of my own voice yelling, "Oh yeah, fuck me, fuck me!" as I bounced up and down.

The poor guy had his eyes shut tight, and as he whirled me round I happened to look over his shoulder... at the faces of the dozen or so people looking out the window of the duplex downstairs.

Well, at least they'd enjoyed it.

I put my mouth a little away from their ears so and look them in the eye and release a slow sigh, then I start to lick all around their ear and down their neck, then come back up and take their earlobe between my lips and tug it." ***Ever tugged an earlobe too hard?*** "Yes, but it turned them on and they were more aggressive with me. I love rough sex." ***Does that lovely arse of yours ever get slapped?*** "Yes, I always scream at them to slap me." ***We bet there are no disagreements there.*** **HAVE YOU EVER FILMED YOURSELF FUCKING A GIRL?** "I didn't film myself, but I used to be into girls. And not just having fun with a girl but her with a boy, too."
